DEDICATION

Mrs. Snyder

We, the graduating class of 1966 of Southwood High School, dedicate this annual to all the teachers of Southwood. We appreciate all their efforts to make us better citizens and to prepare us for the future. We would especially like to recognize two outstanding teachers, Mrs. Snyder and Mr. Humbert.

Mrs. Snyder has helped many college-bound seniors make their final preparations for college in the English field. In many cases Southwood seniors have had little or no trouble with college English. Also, we would like to express our sincere thanks for all her hard work as a director of our school plays and as a student council sponsor.

In the science field, we wish to acknowledge Mr. Humbert. Through his efforts many students have become acquainted with the world of science. Mr. Humbert has spent many hours just for the benefit of the students. Last year he worked very hard and received little credit as our school paper sponsor. He has also been science club sponsor.

ADMINISTRATION

Left to right—MR. HERMAN HOOD, MR. DARLE DAWES, Supt. MR. IRA L. HUNTINGTON, MR. ELBERT T. CARR, MR. LAWRENCE WADE, MR. ROBERT CLARK, Atty. MR. CHARLES TIEDE, Absent when picture taken—MR. EARL DYSON.

MRS. JEAN GILBERT
Secretary

MRS. HELEN GRAHAM
Financial Clerk

Modern educational leaders have effectively challenged the traditional philosophy that the sole task of the school is the vigorous training of the intellect through the academic principles. The modern point of view rejects the notion of mind-body dualism and supports the belief that organized education aims at the development of all aspects of the student: social, emotional, physical, moral, spiritual, and intellectual.

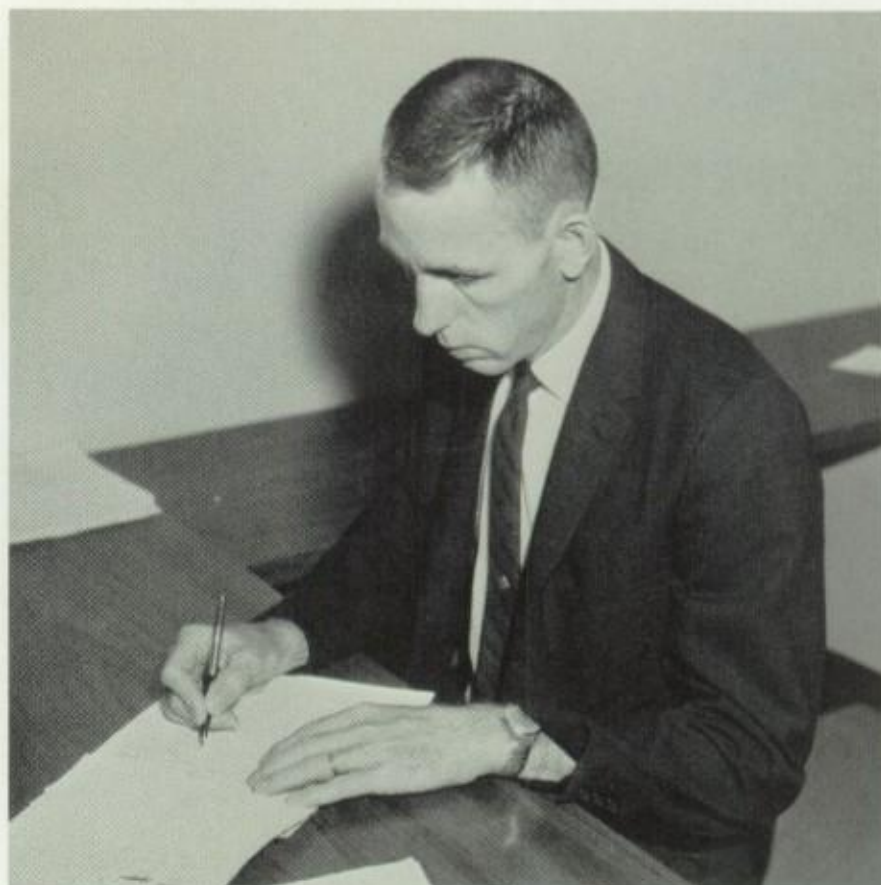

If we can more fully develop the entire student, we can better prepare this person for active participation as a well balanced citizen who will accept and fulfill his responsibilities in our society.

This is our goal at Southwood.

EVERYBODY LOVES OPAL

SYNOPSIS

Opal Kronkie, lives in a tumble down mansion at the edge of the dump. Opal collects anything that can be toted home in her little wagon. Opal is an optimist, for no matter how mean her "friends", she responds with an abiding faith in human nature. Into her strange world come Gloria, Bradford, and Solomon three sellers of boot-leg perfume. They decide she needs insurance—a sudden death and three beneficiaries named Gloria, Bradford and Solomon. The results are dramatically humorous.

CONCERT BAND

"Mr. K"

This year, as in years past, the Southwood High School Band has been very busy. The band marched at all home football games and gave several well prepared concerts. The band as a whole participated in the contest with other Indiana schools and did very well. The Pep Band played at home basketball games and the Dance Band furnished music for the chorus musical.

SOUTHWOOD SUPPORTS A.F.S.

Ella Grossi, our AFS student for 1964-65, gave many interesting descriptions of her home land, Italy, to SHS and the entire Wabash Co. area.

The Faculty-Senior ball game was fun to watch even though the SENIORS won.

The annual AFS Senior girls vs. Junior girls game proved to be as interesting as usual. The Seniors showed superiority again by winning this game.

STYLE SHOW 1965

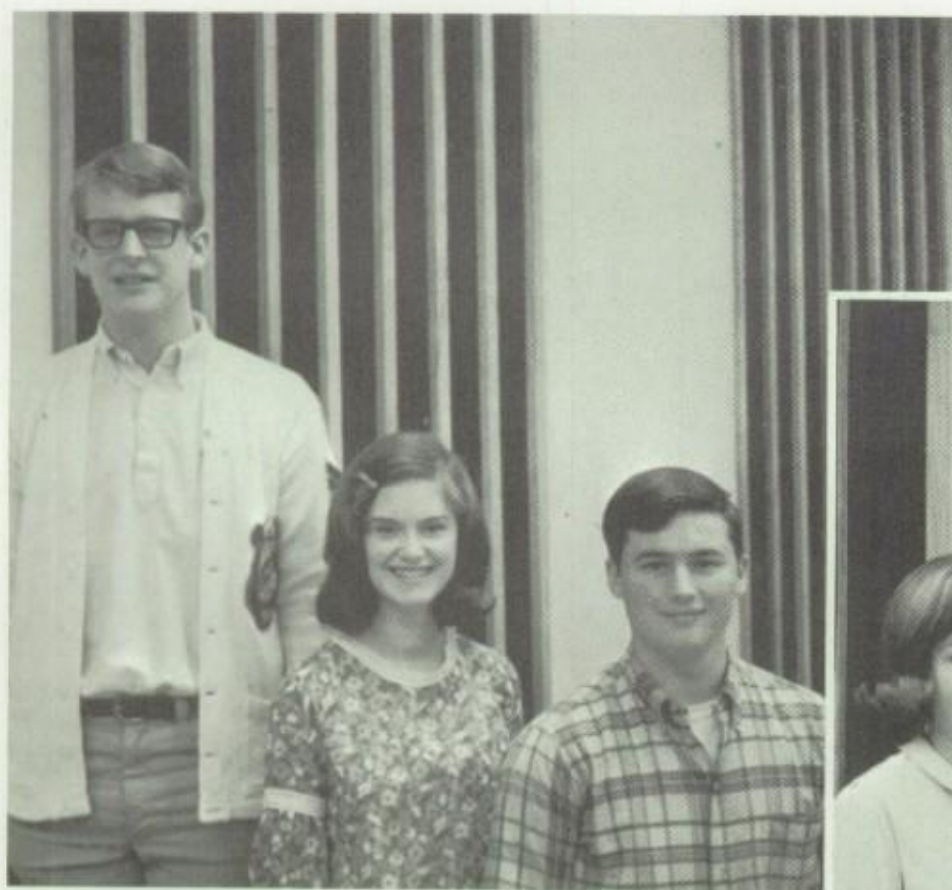

The SHS Home Economics girls have worked hard all year for their annual Style Show.

The freshness and originality of the new outfits clearly demonstrated what fine homemakers Southwood is educating.
